Emergency Contractors' List

Notes on Use of the Emergency List

The emergency list should be used in conjunction with the “Guidelines for Clergy and Parishes” which is published on the Website under the “Resources” link.

Contractors should only be contacted for genuine emergencies out of normal office hours

If you have called a contractor out of hours you must **send an email** to parsonage.stdavids@churchinwales.org.uk to advise **What** happened; **When** (date, time) and **Who** (which contractor) you called. Thank you
